

# TAILOR MADE™

Pinot Noir

RIPE PLUMS  
DARK BERRIES  
SILKY & SMOOTH

Each vintage crafts a story; every harvest tells a tale.  
Each and every bottle is tailored to please.

Winemaker Scot Dahlstrom approaches his craft with passion and imagination. For Scot, winemaking is an art, requiring time, love, sweat, skill, and a bit of luck.

Every growing season and harvest creates its own twists and turns. Regardless of the variables, Scot develops "tailor made" Pinot Noir with consistent and distinctive aromas of dark cherries, ripe plums and a hint of spice, that showcase the ideal growing regions of California.
